Exhibitor Terms and Conditions Milieu 2012

Milieu 2012, Tuesday, 9 October to Thursday, 11 October 2012 Brabanthallen 's-Hertogenbosch (NL)

The terms for participation in Milieu 2012 (further to be named: the Exhibition) are determined in these Exhibitor Terms and Conditions, as well as in the General Terms and Conditions for participation in, by or in cooperation with 2XPO C.V. organised trade shows, exhibitions and events (further to be named: General Terms and Conditions).

Organisation

The Exhibition is organised by 2XPO C.V. a joint venture of Libéma and VNU Exhibitions Europe (referred to later as the organisers). The organisers will regularly be consulting with an advisory committee, consisting of representatives of industry organisations, suppliers and think tanks.

Our mail address is:

2XPO C.V.,
P.O. Box 403, 5201 AK 's-Hertogenbosch The Netherlands
Tel: +31 73 629 39 39
Fax: +31 73 629 32 77
E-mail: info@milieuvakbeurs.nl

By signing the registration form, the exhibitor agrees to cooperate in case 2XPO C.V. decides to hand over the organization to one of Libéma and/or VNU Exhibitions Europe allied organizations and/or to a co-organizer of the Exhibition.

Location and time

The Exhibition will be held in the Brabanthallen 's-Hertogenbosch from Tuesday, 9 October – Thursday, 11 October 2012.

The Exhibition will be daily opened for visitors from 10.00 to 18.00.

Aim of the fair

The aim of the fair Milieu 2012 is to be a collective and promotional show in the fields of sustainable business with topics as sustainable purchase, manufacturing and selling, technology to reduce harmful emissions, health and safe living and working, regulations and saving on environmental costs. Milieu 2012 gives the visitor a nearly complete picture of the financing and possibilities of the companies to improve their environmental performance in the fields of soil, (waste) water, air quality/emissions, noise, vibrations, waste management and recycling and (fire) safety.

The Exhibition also address supply chain management, cradle to cradle, sustainable products, sustainable mobility, sustainable areadevelopment, biomass and -energy, innovations, green roofs, maintenance, air quality of buildings and cities, city cleaning and environmentally friendly measures for building. For energy saving in buildings and industry, visitors can visit the Energy 2012 trade fair which takes place simultaneously in the Brabanthallen 's-Hertogenbosch. Visitors of Surface 2012 and Energy 2012 will have access to all shows if you register in advance or on site for this record.

Visitors

The Milieu 2012 trade fair is solely aimed at the professional visitor: environment professionals, advisors, QHSE manager, general management, technical managers, facility managers, inspectors, energy managers, industrial engineers, R&D engineers, product developers, marketing managers, purchasers, architects, contractors, fitters, project leaders and production managers from sectors such as (semi)government, industry, service industry, retail, care, logistics, construction and real estate as well as professionals from the environment sector.

Products and services

The fair will only allow for those products and services to be exhibited and presented, which according to the opinion of the organisers, are in line with the aim of the fair and which are part of one or more of the following products, machines, equipments and/or services: meters, measuring and analysis, monitoring, bio-energy, bio-fuels, cold and warm storage, bio-mass, bio-fermentation, fluid and solid bio-fuels, re-use of residual heat, (waste) water techniques and treatment, engineering, filters, separators, pumps, water storage techniques, soil energy, soil research, soil protection, infra detection, CO₂-storage, soil cleaning, tank removal, soil water analysis, asbestos removal and contractors, waste management and treatment, storage and transport, recycling, composting, storage and transport of hazardous products, fire detection and prevention, explosion safety, smell nuisance control, improvement of air quality, reduction of polluting emissions, aeration, bio-washers, bio-filters, afterburners, acoustic isolation, noise control, vibration techniques, resource management, consultancy, education, judicial advice, subsidy advice, financial advice, software, sustainable purchasing, sustainable materials, development and manufacturing of environment friendly products (ecodesign), labour and health, sustainable mobility and other environment friendly solutions such as efficiency improvement with maintenance systems.

Every year there is the possibility to add products and/or services to the concept of the exhibition. This is to the judgement of the organisers, who also decide upon the amount of stands exhibiting the same technology and/or product.

Not allowed to be exhibited at the Exhibition are those products and services which have been confirmed by a reputable research organisation to be (possibly) dangerous, or defective, shortly after they have been put to use.

Advisory committee

In compliance with the aims of the Exhibition, goods and services registered to be exhibited at Milieu 2012 described according to 'Entries of the Exhibitor Terms and Conditions' may be assessed by an advisory committee set up by the organisers. The option of the organizers is final.
